= New Training Event / Change since the last issuance

Please be advised that scheduled training is offered on a first-come, first-served basis.

Emergency services organizations hosting these trainings may need to respond to real-world incidents which will take precedence. This serves as notice that any event or training hosted by our County OES or a jurisdiction is subject to cancellation at any time.

For questions regarding volunteer training opportunities, please email OES volunteer services at vssoes@oes.sbcounty.gov or call 909-356-3998.

Training held by cities and towns may be limited to community members of the jurisdiction hosting the training. These training courses may be posted using an Eventbrite link, and inquiries will be directed at the appropriate link to sign up.
